# Morale Check

TODO – need to write about difference between the two sets of morale modifiers

## Who they apply to

Morale checks do not apply to classed characters except for henchmen and hirelings.[1] They also do not apply to any creature listed as non-intelligent.[2]

## When to make checks

Morale checks should be made publicly by the DM at at the time listed in the combat procedure.

They can also be made as the result of a reaction check.[3]

## Failure

Each of the four possible results from a failed morale check corresponds to an option listed on the Avoiding page.
